**Use of a Third-Party Bill Pay Service Provider.**

Harland Financial Solutions Cavion Bill Payment Services is the third-party Internet bill pay service provider who GHS has contracted with to provide bill pay service to its members. Harland Financial Solutions Cavion Bill Payment Services will be processing the bills. Accordingly, the term, "Cavion Bill Payment Services" represents the customer service provided by Harland Financial Solutions to GHS. GHS, at its sole discretion, reserves the right to change Internet bill pay service providers.

**Enrollment Request for the Online Banking Bill Pay Service**

GHS reserves the right to refuse enrollment in the Online Banking Bill Pay Service to any member who does not meet the Online Banking Service and / or the Online Banking Bill Pay Service criteria which has been established by the financial institution and/or Harland Financial Solutions. **Online Banking Bill Pay Service**

As used in this Agreement, the term "Payee" means the vendor, biller, person or entity to whom you wish a bill payment to be directed; "Payment Instructions" means the

information provided by you to the Service for a bill payment to be made to your Payee (e.g., Payee name, account number, payment amount, payment date, etc.); "Payment Account" means your Checking (Sharedraft) Account and, in the instance of non-sufficient funds and/or an overdrawn account, any applicable share account or available balance on line of credit accounts (e.g., line of credit overdraft accounts) at GHS, from which all bill payments may be made and/or such funds collected; "Business Day" means Monday through Friday, excluding Federal holidays; "Payment Date" means the Business Day of your choice upon which your bill payment will be made and your Payment Account will be debited; and "Cutoff Time" means 5:00 p.m. Eastern Standard Time on any Business Day, and is the time by which you must transmit instructions to have them considered entered on that particular Business Day.

By providing the Payment Service with the names and account information of those entities and/or persons to whom you wish to direct payment, you authorize the Service to follow the Payment Instructions that it receives from you or your authorized user through the Online Banking Bill Pay Service. When the Service receives a payment instruction, you authorize it to debit your Payment Account and remit funds on your behalf so that the funds arrive as close to the Business Day designated by you as soon as reasonably possible.

For this reason, it is necessary that all Payment Dates selected by you be no less than six (6) Business Days before the actual due date for payments that are being sent by paper check and 3-6 days for ACH (electronic) payments, (not the late date and/or a date in the grace period). It is your responsibility to schedule your bill payments in such a manner that your obligations will be paid on time. Payment instructions entered after the Cutoff Time or on a non-Business Day will be considered entered in the Service on the next Business Day. If you properly follow the procedures described herein, and the Service fails to send a payment according to the Payment Instructions received, the Service will bear responsibility for all late charges. In any other event, including but not limited to choosing a Payment Date which is not six (6) Business Days before the due date or on or past the due date stated on your invoice or bill, the risk of incurring and the responsibility for paying any and all late charges or penalties shall be borne by you.

A bill payment is "In Process" starting at the Cutoff Time on the Payment Date. A bill payment is a "Pending Payment", starting from the time you enter Payment Instructions until the payment is "In Process." A bill payment is considered "In Process" on the Business Day you selected as the scheduled Payment Date. A payment is considered "Completed" when Cavion Bill Payment Services issues the payment either by check or electronically. You may cancel or edit any Pending Payment (including recurring bill payments) by following the directions provided on the Online Banking Bill Pay system Online Help. There is no charge for canceling or editing a Pending Payment. Please note: we may not have a reasonable opportunity to act on any stop payment or cancellation order given after a payment is "In Process" and it is not possible to stop or cancel a payment which is "Completed." If you desire to cancel or stop any payment which is "In Process", you must call GHS Federal Credit Union at (607) 723-7962 or (800) 732-4447. Although we will make every effort to accommodate your request, we will have no liability for failing to do so. Stop payment requests sent to us via electronic mail or in any other manner will not reach us in time for us to act on your request. Stop payment requests will be accepted only if we have a reasonable opportunity to act on such a stop payment order. If you call, we may also require you to present your request in writing within fourteen (14) days after you call. The charge for each stop payment order will be the then current charge for such service as disclosed in our Rate & Fee Schedule. The Service will use its best efforts to make all your

payments properly. However, the Service shall incur no liability if it is unable to complete any payments initiated by you through the Service because of the existence of any one or more of the following circumstances:

1. If, through no fault of ours, your Payment Account does not contain sufficient funds to complete the payment or transfer, or the transfer would exceed the credit limit of your established line of credit account, if applicable (Note: GHS may, at its option, pay a scheduled bill payment which exceeds the balance in the checking account by transferring the amount of the resulting overdraft from your available line of credit or the prime share savings account, indicated on the Membership and Account Agreement. Per Federal regulation, pre-authorized telephone, Online Banking or automatic transfers from prime share savings to cover Checking (sharedraft)overdrafts cannot exceed six in number per calendar month);
2. The bill payment processing center is not working properly and you know or have been advised by the Service about the malfunction before you execute the transaction;
3. The Payee mishandles or delays a payment sent by the Service;
4. You have not provided the Service with the correct names, phone numbers, or account information for those persons or entities to whom you wish to direct payment;
5. Circumstances beyond the Service's control (such as, but not limited to, fire, flood, or interference from an outside force) that prevent the proper execution of the transaction and the Service has taken reasonable precautions to avoid those circumstances.

Provided none of the foregoing five (5) exceptions to the Service's performance obligations are applicable, if the Service causes an incorrect amount of funds to be removed from your Payment account or causes funds from your Payment Account to be directed to a person or entity which does not comply with your Payment Instructions, the Service shall be responsible for returning the improperly transferred funds to your Payment Account and for directing to the proper recipient any previously misdirected payments or transfers.

Payment will be made to your Payee either electronically via the Automated Clearing House (ACH) or by paper check. The method of payment depends upon the processing method that can be accommodated by the Payee or by Harland Financial Solutions (e.g., some Payees are unable to accept electronic payments).

The payment may be deducted from your Payment Account by two methods depending upon the amount of the payment and your credit history. The two methods are: 1.) Via an electronic debit through the Automated Clearing House Association (ACH) or 2.) Via a draft drawn on your account and processed through the Federal Reserve System (as if you had written a paper check drawn upon your Checking Account.) All bill payments debited from your account will appear on your monthly Statement of Accounts and under the "BILL PAY HISTORY" section of the GHS Online Banking System. ACH debits will reflect the name of the Payee (e.g., ABC Utility Company) as well as the date and amount; payments by check will be reflected on your statement with a date, payee and address, and amount. All payments can be viewed with the Payee's name, payment amount and payment date by reviewing your recent payment history under the electronic Payment List option provided to you as part of the GHS Online Banking Bill Pay Service.
